

Read about fishing in Muskegon and aboard the Code Blue from Capt Greg...

Fishing is an enduring American tradition for people of all ages and walks of life. Fishing Lake Michigan offers the angler the opportunity to catch some Michigan's largest and hardest fighting fish around. In addition some of the finest table fare you can ask for. Muskegon is centered in some of the finest salmon and trout fishing Lake Michigan has to offer.

Code Blue is located at Harbour Towne Marina, which is within 1000 feet of the Muskegon channels providing Code Blue the quickest and easiest access to Lake Michigan and its bountiful fishery.

Want the fight of a lifetime? Then come aboard Code Blue. Captain Greg has been successfully fishing and navigating the Great Lake of Michigan for over twenty years. Code Blue starts fishing in April and goes through October to ensure we stay on top of the fish all season long. In fact Captain Greg and his crew are so confident that they guarantee it. If you do not catch a fish while aboard Code Blue your next trip is free.

Code Blue will supply you with all the newest fishing rods and reels from major manufacturers. We also carry an extensive line of all the newest and hottest fishing tackle available. Code Blue offers a luxurious fishing vessel with a private marine bathroom/head, refrigerator, radio and even a place to escape from the weather. The 31' foot Tiara offers ample head and legroom with enough space to fish six people comfortably. Come experience this fantastic fishing vessel for your self.

Captain Greg Wehler and his crew are looking forward to making your trip a memorable experience.
